Pivotel Iridium satellite plans use the Iridium Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotel.co.nz/coverage for a coverage map. A compatible Iridium PTT device is required to access the Pivotel Iridium Satellite service. All plans have a minimum contract term and change of plan is not allowed during the contract term. All satellite voice calls are charged in one minute increments unless otherwise stated. Pivotel may apply call barring where fraudulent use is suspected, there is a breach of the Pivotel Incoming Calls Fair Use Policy or for credit control purposes. Prices are in NZD including tax and are subject to change. Minimum cost for standard monthly plan is (monthly access fee x contract term) plus talk group subscriptions. 3 month or 12 month minimum terms apply for Iridium PTT plans. Please refer to the above table for minimum cost over minimum term for the plan. You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. Itemised billed and unbilled service usage is available in the secure Selfcare website at www.pivotel.co.nz/selfcare. An itemised bill listing all of your service usage events is available on request. You may elect to receive a paper bill by post for an additional fee. Pivotel plans are available to credit approved customers only.
